<p><b>Assessment Methods:</b>  <b>Must be assessed and quality assured in accordance with the MP Futures SSO Assessment Strategy and MP Awards evidence requirements.</b>  For this qualification all learning outcomes must be assessed using methods appropriate to the assessment of competence-based qualifications. There must be valid, authentic and sufficient evidence for all the assessment criteria. There is no requirement for each unit to be assessed separately. Indeed, Assessors are encouraged to adopt a holistic approach, but it is essential that evidence for the assessment criteria in each unit is also identified individually.  The primary source of performance evidence will be from examining products of work produced by the Candidate supported by observation in the workplace, Candidate testimony and questioning/discussions, supported by other forms of evidence such as witness testimonies.  <b>Simulation is generally not allowed, exceptions to this will be indicated in the appropriate Assessment Strategy, these must be agreed prior to use with the External Verifier.</b></p>
<p><b>Minimum Performance Evidence Requirements:</b>  Competence must be demonstrated by <b>repeatable</b> performance in the workplace over a minimum period of <b>10 weeks</b>. This timeframe should be measured from the first to the last assessment and <b>must include a minimum of 2 assessments on different dates.</b></p>
<p><b>Assessing Knowledge and Understanding:</b>  For this qualification all learning outcomes must be assessed using methods appropriate to the assessment of workplace knowledge. There must be valid, authentic and sufficient evidence for all of the assessment criteria. The examples in the list are not exhaustive.  <b>Holistic approach</b> is encouraged. Verbal/written questioning (recorded); Professional interview (recorded); Candidate statements</p>
<p><b>Assessment System:</b> Whilst Approved Centres are free to develop their own assessment record system; MP Awards has developed a ready-made system for Centres to use which is available at no cost. However, Centres are advised to check with MP Awards when devising their own assessment system to ensure it meets the standards in full.</p>
